

Novice B/C NOHA Tournament of Champions

Iroquois Falls Minor Hockey hosted the Novice NOHA B/C Tournament of Champions March 1-3, 2019 with teams attending from Powassan, Manitoulin, Cochrane, South Porcupine, Wawa and of course our own Iroquois Falls LPL Contracting Eskimos. During the event we received nothing but great feedback on how well our town presented itself. From how comfortable the teams felt at the hotel, to how great the cafes and restaurants were, to how friendly the people were everywhere they went and especially how amazing our Jus Jordan Arena facilities were. Great job to all that represented our amazing little town!

Congratulations to the Powassan Hawks Novice B/C NOHA Tournament Champs and finalists the Manitoulin Panthers. Was a great weekend for all teams that attended we truly hope everyone enjoyed themselves. Thank you to all the Iroquois Falls Minor Hockey Association and LPL Contracting Novice Eskimo volunteers who helped make this week ends tournament a success.

A special thank you to our sponsors! Without their help we couldn't make the events IFMHA hosts possible!

IFMHA and the Valu-mart Atom Eskimos would like to thank all the volunteers, organizers, coaches, referees, timekeepers, players and parents for helping make the weekend a huge success and, of course, we can't forget Steve Belanger and the Iroquois Falls Recreation Department for keeping the arena in tiptop condition and running smoothly for all our events.

A VERY SPECIAL THANK YOU to our tournament sponsors for helping make our final event of the season the success it was. We hope all our sponsors found good value with the exposure provided and influx of out-of-town traffic in our community during the tournaments. Your contributions allowed us to continue to make our tournaments a special and memorable experience for players and families alike.

THANK YOU TO OUR TOURNAMENT OF CHAMPIONS SPONSORS
